

I am trying to get my account stright i am a afficate and when i started i really didnt know what i was doing i have been learning as i go thjere is still alot that i dont know or understand i have alot of wallets i was trying to understant them and if i was going to be telling people about this new currincy i need to check everthing out i called blockchain one day and got 1 ofur reppsand he ended upcalling me from his house and aswell call me again and i recized his voice selling me amizon and some other that he was with ended up taking some of my coins and then i was beat up as well and someone thating my phone and labtop and the took the rest of my bitcoins and wallets i have been trying to ghet up with someone about this issius i call the cops the refused to make a report but they did make a report on my 13 devices that i had at hotel i am still thying to resove thius mater i aswell ended up having my mother on messenger and all of her notices comming at me telling me i am reciveing coins but y is the notiforcations on he messenger coming to me for a missippiss[pp we do not know they have hacked my account my mothers account and i really dont know who elses could use help

As well i am tired of being beat with brosses on me cause of all this just in 3 month over 80 devices have been took so thhink about how many been took over 5 yr and with hhurricain michael hitting my house and people taking all i had but i do know whom ever did most of it was around oct 30, 2018 when a guy named rob lindsey hit me as well as i am handycap and with no way to make a report and just geting our 1st bitcoin atm michane here in tallahassee fla

My mothers name is mary frances langston

My name is traci aletha haire dague i have been chanje it to my married name sence i been hacked so many time in the passed 5 yr when i heard about the bitcoinsd on the news

Traci haire

Traci dague

Aletha dague

Aletha haire

Lea dague

Lea haire

Are the names i have been useing trying to strighten this out

Emails

floridagirltraci@gmail.com

traciaetha@gmail.com

floridaangel@yahoo.com

Tahds@icloud, ,tahdstah@gmail, leadague@icloud ,traci@icloud,tracihaire@icloud ,tahd@icloud

Bandokids cant rembver ther rest

I have been trying to change my email evvertime i do it seems to get hacked i have been working with verizon yahoo,gmail for the passed 5yr on this matter coin base has locked 1 or 2 of my accounts it just seem when i call one of the company there employies take my accounts i have the new email i have been trying to change to which are

me.creekgirl@gmail.com

countrygirlleadague@gmail.com

twosweet.me@hotmail.com

I have been inbetween

me.creekgirl@gmail.com and the newest one twosweet.me@hotmail.com

So if u could please help with this matter it would be appriated

Phone number

8502966947 was tookfrom me

I been using 850-354-4091

8508001620 i have just got and i am geting a new number sone as i can get this all strighten out and i may have some more email and phone numbers not sure but whom ever has gotten into my bankaccounts as well

My bank tlfcu i have been with more then 30 yrs they have been able to stop alot sence the have know me foer so long i do look forward into talking with some one and please use key word (mmmmmn I dont know)

That is just dum enought maybe i will be able to talk to someone from ur company inorder to get this all stright
